

Personalized workspace options from Novus deliver a clean look, improved ergonomics, and the freedom to easily change your workspace. NOVUS More Space sets provide clever all-inclusive solutions for any workspace.

The NOVUS Business Combination is designed for mobility with an elevated laptop holder and monitor arm. This frees valuable desk space and keeps technology within reach.

The set includes a TSS column, a TSS folding arm III, and a TSS notebook holder. The TSS column is 17.52" tall and securely attaches to a desk surface between .55" and 1.57".

The TSS folding arm III is a two-part, adjustable monitor arm with a range of 19.88". Constructed of high quality aluminum and metal, the Folding arm III can hold 1 monitor weighing up to 15 lbs and is equipped with a Quick Release monitor mount – simply click the monitor in place and tilt to the perfect viewing angle.

The notebook holder has a range of 23.19", holds a laptop up to 15", and can be tilted up to 45 degrees.

NOVUS Business Combination components are covered by a 5 year guarantee.
